

## **A Massive Thank You to The National Lottery and the Players for their Support.**

Pevensey Parish Council is pleased to announce that we have received a generous grant of £8578 from The National Lottery to replace a piece of old equipment in one of our popular children's recreation grounds.

Pevensey has three Recreation Grounds managed by the Parish Council. One is in Coast Road in Pevensey Bay, one is on Wallsend Road (known as the half pipe) and the third is by the Sports Ground in Pevensey and is known as Wallsend Recreation Ground. All are well used and loved by the local children and visitors to the Pevensey area.

Councillor Shirley MacKinnon, who Chairs the Recreation and Beach Committee for the Parish Council said that " This is a welcome addition for local children to add to two pieces of new equipment installed in 2017. It is hoped that further grant applications which have been made by the Council will be successful and mean we can do more to update our grounds over the next 2 years"

The new piece of equipment for younger children is called Goosie Gander and will be installed this week from Monday 3<sup>rd</sup> December 2018 at the Wallsend ground. A new baby swing seat will also replace one which is damaged.

To support the grounds the Council want to kick start a new group called " Friends of Pevensey Playgrounds" made up of local people to help further the upgrading and management of the grounds. Anyone interested should contact Sarah Mosedale the Parish Clerk on 01323 743 900, or at [theclerk@pevenseyparishcouncil.org](mailto:theclerk@pevenseyparishcouncil.org)
