

New swings for Wallsend Road in Pevensey.

Pevensey Parish Council has now placed an order for new swings to be installed in Spring 2021 at Wallsend Road Recreation Ground. This follows the enforced closure of the junior swings for safety reasons earlier in the year.

Further funding streams are being examined for new equipment at all the playgrounds. A donation has already been received for a small installation which will be supplemented by funds raised by Friends of Pevensey Playgrounds.

The Skate Park and the Adult Fitness equipment situated in Coast Road, Pevensey Bay have now reopened, following recent closure due to the second Lockdown period.

Please help keep the Parks safe and tidy by taking Litter home and following Covid safety regulations. Dogs are not permitted in any of the playgrounds.

Peter Lowton, Chairman of Pevensey Parish Council said “After a very difficult year for all, there is good news to tell local families about the work underway to improve the playgrounds, from which so many people of all ages benefit. This Summer has seen an increased use of green spaces and the work planned shows the importance given to play by Pevensey Parish Council.”

If you would like to join the Friends Group, send your contact details to Shirley MacKinnon at [bobandshirleymac@outlook.com](mailto:bobandshirleymac@outlook.com)  
Any enquiries about the grounds or to report any matters of concern please contact the Parish Clerk, Sarah Mosedale on 01323 743900.
